Dyna Moe is a New York based artist who specialises in all things Mad Men, and is the creator of AMC's very own Mad Men Yourself avatar app. So, who better to create our new cocktail menu? After putting Manchester's favourite ads to the vote, we tasked Dyna Moe with putting her expert, Mad Men spin on them. And this is the result. Enjoy!

☛ *The notorious 1991 Boddingtons 'Cream of Manchester' ad by Bartle Bogle Hegarty is surely ingrained on Manchester's psyche.*

The original, updated. Traditionally a working class staple of a low end beer and a shot of rough whiskey, updated to a fine selection of modern craft beers matched to outstanding liquor. Neck the shot and sip the beer, sip both alongside each other, or sip half of each and drop the shot in the beer glass – it's your call.
