*Dyna Moe is a New York based artist who specialises in all things Mad Men, and is the creator of AMC's very own Mad Men Yourself avatar app. So, who better to create our new cocktail menu? After putting Manchester's favourite ads to the vote, we tasked Dyna Moe with putting her expert, Mad Men spin on them. And this is the result. Enjoy!*

👉 BJJ's 'Lady outdoors' ad for Manchester Art Gallery was as pretty as a picture.
